

I/O VCB Control (110 V DC / 5A relays) 19710

Overview

- Based on ISO / IEC standards 14908
- Easy diagnostic via LEDs in data loggers
- Connection to handheld Control Terminal
- IP 65 enclosure
- Connection for Vacuum Circuit Breaker Remote control
- 110 V DC / 5A relays with freewheeling diodes and LEDs
- 10 Relays
- 230 V AC Aux supply
- 24 V DC power supply
